Hi Mark,

To help speed things up, I have attached an illustrative plan for the footpath link that aligns with the comments provided by the ESS officer and the police.

Please can you confirm you are happy with the plan shown? Bellway will then cost it up. In terms of securing, are the Council happy for Bellway to provide the funding to be secured through the S106 for the Council to then deliver the path through the dog walking field?

If you could please come back on these points this week, that would be much appreciated.

Kind regards,
Clover

Hi Mark,

We want to present to you the footpath proposal, to get to a position where the costings and delivery mechanism has been agreed. A meeting will help to get us to this position as quickly as possible.

Many thanks,
Clover

Hi Mark,

It would be helpful to get a meeting in the diary to discuss the ESS comments on the footpath link and any outstanding matters to get us to committee (targeting September).

Are you able to please provide your availability next week ideally? We will aim to share with you a concept plan ahead of the meeting to help inform costings and the mechanism for securing.

Many thanks,
Clover
