Description of Proposed Works

Please describe the proposed works

Internal Garage conversion into a playroom with window instead of garage door. We will still have 2 adequate car spaces at the front of the house. The garage is too small for a seat tarracco car to fit in and open the 2 doors fully to get a baby seat out for our 3 month old baby. Car width with 2 open doors 330cm and garage width 260cm so not a fit for purpose garage.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.
