condition 27 (materials) and update schedule 1 list of approved conditions on application 20/00063/FUL to add 'Wienerberger Tabasco Red Multi'. Granted

Assessment

20/00063/NMA5 approved the following brick types to be used on the development site:

The proposed Materials Layout ML01S Rev R consists of the following brick types:

Type A: Manchester Brick Barcombe Blend

Type B: Manchester Brick Kilmarnock Blend

Type C: Marshalls Lindon Haze

Type D: Ibstock Grampian Red Mixture

Type E: Wienerberger Sunset Red Multi

Type F: Wienerberger Tabasco Red Multi

This NMA seeks to add an additional brick type:

Type G: Wienerberger Chepstow Multi

The cover letter accompanying the non material amendment application states that Bellway have experienced further supplier issues whilst sourcing the type F brick (approved material under application 20/00063/NMA5).

The proposed brick is comparable to those previously approved and the materials will overall tie in with the development as a whole.

Condition 27 on 20/00063/FUL states:

“The development shall be carried out in accordance with the approved materials stated on the approved Materials Plans reference ML01N Rev A and ML01S Rev A.”

Condition 27 was amended to Condition 1 on 20/00063/NMA5 which states:

“The development shall be carried out in accordance with the approved materials stated on the approved Materials Plans reference ML01N Rev I and ML01S Rev R.”

Upon the approval of this non material amendment application, the condition will be amended to:

“The development shall be carried out in accordance with the approved materials stated on the approved Materials Plans reference ML01N Rev I and ML01S Rev T.”

Conclusion

The amendments proposed are minor in nature when considered in the context of the scale and size of the overall development and can be considered non material amendments. The proposed amendments would be acceptable in terms of their visual impact and would not impact on the highway or residential amenity any more than the approved scheme.

The proposal would comply with Local Plan Policy CS19 'Design Quality and Accessibility in New Development' which states that development in Knowsley will be expected to respond to and integrate positive characteristics of immediate surroundings, including local materials. The application is considered to accord with national and local planning policies and is therefore recommended for approval.

Recommendation

The non material amendment application be granted subject to the following conditions:

1. The development shall be carried out in accordance with the approved materials stated on the approved Materials Plans reference ML01N Rev I and ML01S Rev T.
2. The plan(s) listed below are those approved. The development must be undertaken in accordance with the approved plans on the original application, except were amended by those below, including any conditions attached to that permission. No substitution should be made without prior consent form the Local Planning Authority. Failure to adhere to the details of the approved plans or to comply with the conditions on the original planning permission constitutes a contravention of the Town and Country Planning Act 1990 in respect of which enforcement action may be taken.
