Dear Hannah

We are an international fast food Piri Piri grilled chicken concept with over 180 restaurants worldwide.

85% of our business is eat-in where people come in, order and pay for their food at the counter, and then sit at the table.

The food is then taken to their table and consumed by the customer within a 30-minute cycle. The table is then cleaned."

We are the biggest Piri Piri brand after Nando's and are growing rapidly and will hit 200 stores in 2023.

Many thanks

Abbas Khan
