

Architectural floor plan of a garage with two cars, a workbench, and storage. The plan shows a 8000 CLEAR INTERNAL WIDTH and 6000 CLEAR INTERNAL DEPTH. Dimensions for car width (2400), car length (4800.00), and various clearances are provided. A 'worktop & low storage' unit is on the left, and a 'wall rack/shelving unit' is on the right. An 'existing pear tree' is located outside the garage.
