- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The application proposes the use of the dwelling as a children's home for one child / young person between 7 and 17 years of age. The property would have two members of staff on duty during the day and night shifts. The property will be registered to provide care and accommodation for children with emotional or challenging behavioural difficulties and/or mild learning difficulties.

While it is considered that the use of the property as a child's home rather than a dwellinghouse constitutes a change of use, taking into account the outcome of the Hinckley & Bosworth appeal (ref: APP/K2420/X/11/2155849 - November 2011) and Inspectors comments and the proposed residency and staffing level it is considered that the proposal would not constitute a material change of use, and therefore the change of use will not amount to development for which planning permission will be required.

This is the same view as Knowsley council who came to the same conclusion for application 21/00195/CLD.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
