Grounds for Application

The property is a c3 dwellinghouse.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Planning Statement

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C2 - Residential institutions

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed use of 4 Dulas Green, Southdene, Kirkby, as a solo children's care home with 24-hour professional care does not result in a material change of use. The use remains within the scope of Class C2 and does not give rise to development within the meaning of Section 55 of the Town and Country Planning Act 1990. The child will occupy the property as their home, supported in a stable and domestic environment by non-resident carers. The impact on the surrounding area is negligible and no greater than that of an ordinary family household. The use is therefore lawful and requires no express planning permission. The proposal is consistent with the principles of the National Planning Policy Framework and the Knowsley Local Plan, both of which encourage inclusive, community-based residential provision. Case law further supports the conclusion that the proposed use is lawful.

- ☒ Yes
☐ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
