VIA PLANNING PORTAL

04th June 2024

Dear Sir/Madam,

PROPOSED EE TELECOMMUNICATIONS BASE STATION INSTALLATION OF ELECTRONIC COMMUNICATIONS APPARATUS AT LONGMOOR LANE, FAZAKERLEY, LIVERPOOL, MERSEYSIDE, L10 1LF. NGR: 339110, 397393 (EE Ref: 39457).

This application is submitted under Part 16 of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) and is in accordance with the Electronic Communications Code (as amended)

This is an application for a determination as to whether the prior approval of the Authority will be required as to the siting and appearance of the development.

This application is submitted for and on behalf of EE Ltd and comprises:

- Written description of the proposed development – The installation of a 20m Hutchinson Phase 8 pole, 9No. antennas, 2No. 300mm dishes, 1No. GPS Node, and 4No. ground-based equipment cabinets and ancillary development thereto.
- Longmoor Lane, Fazakerley, Liverpool, Merseyside, L10 1LF. NGR: 339110, 397393 – defined within the plan indicating its location.
- Prescribed fee
- Copy of Developer's Notice.
- Confirmation as to whether the developer has had to notify the CAA or MOD or aerodrome operator which clarifies whether the proposal lies within 3km of an aerodrome.
- Contact address and email address for developers

For your further assistance, we enclose additional information: -

- Supplemental drawings – numbered 002, 100, 150, 200 and 250.

- Site Specific Supplementary Information
- Site Specific Design and Access Statement
- ICNIRP declaration and clarification statement
- DCMS and MHLG “Collaborating for Digital Connectivity” Letter to Local Authorities.
- 5G and Future Technology Document
- 5G Technical Support Document
- Future Telecoms Infrastructure Review Document
- UK Wireless Infrastructure Strategy Document

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (November 2016). The enclosed application is identified as the most suitable option that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore, we would like to assist the Local Planning Authority and would like to offer to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any reasonable additional information in relation to this application.

You are reminded that the time period specified for a decision on this application is defined in Paragraph A.3.(8) of Part 16 of the Town and Country Planning (General Permitted Development) (England) (Amendment) (No.2) Order 2016 and nothing in this letter permits, allows or agrees to an extension to that time period.

We look forward to receiving your acknowledgement and decision in due course.

Yours Faithfully,

Niall Kelleher
