FAO: Knowsley Local Authority

Our Ref: 21.022

Works Schedule; Meribel Square, Prescot, L34 5QH.

June 24th 2021

tc-treeandsite.co.uk

Schedule for the undertaking of tree works as specified;***Directions assuming the front of the property faces the access roadway.**

Item No:	Location:	Description Of Works: <i>To Be Read In Conjunction with Mulberry Report Dated 9th December 2020</i>	
1.0	Rear Elevation		
1.1		Tree identified as T2 within Mulberry Report. One well established multi stemmed Sycamore tree located at the rear of the property. Tree noted to be in close proximity to boundary walls, the Meribel Square property and to neighbouring garages/ outbuildings. Allow to crown reduce the Sycamore tree as recommended within the Mulberry Report by circa 20%. All significantly overhanging branches over the main property will be reduced to prevent damage from branches and to prevent a build up of leaves on the roof covering. Overhanging branches will be reduced to allow a clearance of circa 2m from the property. Tree will require careful access by climbing to ensure cut branches are carefully rigged and lowered to prevent damage to the property, adjacent garages and boundary walls.	
2.0	General Items	Allowances and Inclusions	
2.1		Allowance for a suitable chipper to adequately chip the type and quantity of timber waste surveyed on site.	
2.2		Allowance for the disposal of all chip waste away from site.	
2.3		Work has been specified to reflect the recommendations provided within the Mulberry Arboricultural Report Dated 9 th December 2020 ; Ref TRE/MSAS.	

Tree Works : Meribel Square, Prescott

Thank you for reviewing this schedule of works, if you wish to discuss the works or would like to meet on site to run over the proposals please feel free to contact us.

Kind Regards,

TC Smith
