To whom it may concern,

I hope this letter finds you well. I write in support of an application by the Archdiocese of Liverpool to carry out repairs to the roof of the presbytery at Our Lady Immaculate & St Joseph Catholic Church in Prescot. When the Archdiocese first conducted a survey and determined that work needed to be carried out I made the parishioners and the wider public aware through notices in our parish newsletter, which is available online, and through a post on our Facebook page. I have since repeated this notice in the newsletter in hopes that the work will be carried out this year. I have also made this known to several neighbours who have expressed concern to me about the visible condition of the roof.

Kind regards,

Fr Dominic Risley

Parish Priest, Our Lady Immaculate & St Joseph
