Description of Proposed Works

Please describe the proposed works

Looking to widen my vehicular crossing. Around 2004 I had a vehicular crossing done in front of my house of the main road on 19 Coplehouse Lane by Knowsley Council. My Daughter is now 21 and we need it widened to get her car on the driveway instead of parking on a mud area. I have paid Knowsley Council's Contractor £2502.52. They have give me the measurements by letter, 16 square metres of Tarmac, 2 drop kerbs 125x250, 8 concrete edgings and excavate. The Contractor called and took all the measurements. I am also waiting to pay the £234 for the planning application. Once the planning has been approved the Company Tarmac will come out within 28 Days and proceed with the work. The width that I need is in front of my house and doesn't protrude in front of the house next door as I made sure when the Contractor called and took the measurements. Await your reply to this. Thank you. Francis Murphy.
