

This architectural floor plan illustrates the layout of a veterinary clinic, organized into several functional zones. The plan includes the following rooms and areas:

- Food Prep / Laundry:** 16.3 m², located in the top left corner.
- Store:** 3.5 m², located below the Food Prep / Laundry area.
- Puppy Rooms:** Six rooms labeled Puppy 1A (2.4 m²), Puppy 1B (2.4 m²), Puppy 2A (2.4 m²), Puppy 2B (2.4 m²), Puppy 3A (2.4 m²), and Puppy 3B (2.4 m²) are arranged in a central row.
- Office:** 31.9 m², located to the right of the puppy rooms, featuring a grid of desks and chairs.
- SRO Office:** 4 m², located to the right of the main office.
- Change:** 5.6 m², located to the right of the SRO Office.
- Store:** 1.9 m², located below the SRO Office.
- Dis. WC:** 3.3 m², located below the Change area.
- Waiting Room:** 6.9 m², located in the bottom left section.
- Vet Consult:** 12.8 m², located in the bottom right section.
- Vet Prep:** 37.6 m², a large room located between the Waiting Room and the Recovery area.
- Op. Theatre:** 16.7 m², located in the top right section.
- Recovery:** 22.6 m², located to the right of the Op. Theatre.
- U/s Store:** Located above the Op. Theatre.
- Stairs:** An "UP" staircase is located near the U/s Store.

The plan also shows various doors, windows, and furniture icons such as desks, chairs, and medical equipment, providing a detailed view of the clinic's spatial organization.
