Dear Sir / Madam,

**256.7 kWp Solar Photovoltaic System at Blends Flavours & Colours,
Knowsley Business Park, Blends House, Overbrook Lane, Knowsley,
Liverpool, L34 9FB – Prior Approval**

Blends Ltd. are proposing to install a 256.7 kWp solar PV (photovoltaic) system on the roof of their factory at the above address. The scheme will occupy 1,207 m² on the pitched roofs of the building as per the enclosed site plan. The PV modules will be fixed to the roof with aluminium brackets and an aluminium frame and the height above the roof finish will be 54 mm only as shown on the enclosed detailed section drawing. All modules will be a minimum of one metre from the edge of the roof.

It is understood the scheme comes under Permitted Development Rights and Blends Ltd. hereby applies for Prior Approval for the new PV solar system installation.

Please find enclosed the following documents in support of the Prior Approval application:

- Site plan 1:1250 (I2055-000-01)
- Section drawing 1:20 (I2055-000-02)
- Technical specification sheet of solar PV modules
- Technical specification sheet of PV mounting system

The site is owned by Blends Ltd., and the installation will be undertaken by Photon Energy Ltd.
