TRITAX

Technical drawing of a rectangular box with dimensions and internal components. The overall dimensions are 300 (width) and 220 (height). The internal dimensions are 220 (width) and 160 (height). The box has a 100 (width) and 140 (height) internal compartment. The drawing shows a top view with a yellow shaded area indicating a specific region. The drawing includes dimensions for the box, internal compartment, and the yellow shaded area. The drawing also shows a cross-section of the box with a 40 (width) and 5 (height) internal compartment. The drawing includes dimensions for the box, internal compartment, and the yellow shaded area. The drawing also shows a cross-section of the box with a 40 (width) and 5 (height) internal compartment.
