

Section 1 PROJECT:

PROJECT No:

PERMIT No:

Precise location of works to be undertaken : (Attach plan or sketch as necessary)

EXAMPLE

Description and nature of the Work :

Section 2 SPECIAL PRECAUTIONS RELATING TO THE PERMIT:

PRECAUTIONS COMPLETED

Enter either Y or N/A in box (all items must be addressed before the Permit is issued)

- Controlled areas are secured and warning signs displayed.
- Loose combustible materials have been cleared.
- Combustible materials which cannot be cleared are protected with non-combustible material.
- Gas cylinders are fitted with a regulator and flashback arrester.
- Gas cylinders have been secured in a vertical position (normally on a trolley).
- Spare Gas cylinders are clear of the work area and properly secured.
- Supply hoses have been checked and are in good condition.
- Suitable fire extinguishers are in the immediate vicinity.
- Other personnel who may be affected by the work have been removed from the area.
- Operatives are suitably trained and experienced for the task(s) being undertaken.
- Opposite sides of **walls, ceilings or partitions** checked and combustible moved away.
- Work area screened to contain sparks for **welding, cutting or grinding** operations.
- Gas cylinders are at least 3M from the **bitumen boiler or lead heater etc.**
- If **boiler or heater** is sited on a roof, heat insulating base has been provided.

Section 4 PERMIT RECEIPT and WITHDRAWAL

I agree to work only under the conditions agreed and that work will be ceased immediately any of the conditions of issue of the Permit have been broken. When work is completed, or the Permit has expired, I will return it to the Issuer. This Permit will be on display during the works.

Signed: **Print:** **Date:** **Time started:**

For and on behalf of: **Time finished:**

I confirm that I have checked all work areas and adjacent areas to which sparks and heat might have spread (i.e. floors below location and opposite walls etc.) no sooner than one hour after the work finished and found the area fire safe.

Signed: **Print:** **Date:** **Time:**

For and on behalf of :

This Permit is now withdrawn and the area has been made safe
