

Notes:

- Figured dimensions are to be used in all cases.
- Dimensions should not be scaled from drawings.
- All existing dimensions should be checked on site before commencement of the works.
- Any discrepancies in dimensions should be clarified with the Architect prior to commencement of the works.
- No deviation from this drawing will be permitted without the prior written consent of the Architect.
- This drawing is to be read in conjunction with all other relevant drawings, and the drawings and information produced by other professionals/consultants involved in the project.
- Please note that the scale of any quantification data is done to the owner's own risk.
- This drawing is the copyright of TCArchitecture and is to remain the confidential and proprietary information of TCArchitecture. No part of this drawing may be reproduced without the written permission of TCArchitecture.

This drawing must be printed in colour to be read correctly.
