The Council of the Metropolitan Borough of Knowsley hereby give notice in pursuance of the above Act(s) that Planning Permission has been **granted** for the carrying out of the development referred to above in accordance with the application and plans submitted subject to the following condition(s):

1. The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: In order to comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended).

2. The development hereby permitted shall be carried out in accordance with the approved plans and documents listed in Schedule 1.

Reason: For the avoidance of doubt.

3. The materials to be used on the external surfaces of the extension/new dwelling hereby permitted shall match those of the existing building in type, size, colour and texture.

Reason: In the interests of visual amenity and to comply with Saved Policy H8 of the Knowsley Replacement Unitary Development Plan, adopted in June 2006, Policy CS19 of the Knowsley Local Plan Core Strategy, adopted January 2016, and the National Planning Policy Framework.

4. Notwithstanding the details shown on the approved drawings, no part of the development shall be occupied until full details of both hard and soft landscaping works have been submitted to and approved in writing by the Local Planning Authority.

The details shall relate to all land surfaces not built upon and shall include:

- a) hard surfaced areas and materials, (including methods of drainage of parking spaces to prevent run off onto the public highway)
- b) planting plans, specifications and schedules, planting size, species and numbers/densities, trees to be retained and a scheme for the timing / phasing of work.
- c) A detailed regime for the ongoing and longer term maintenance of all soft landscaping is also required to be submitted for approval.

The approved landscaping works shall be implemented and completed prior to the occupation of the dwelling to which it relates unless otherwise agreed in writing by the Local Planning Authority.

Any trees or shrubs planted or retained in accordance with this condition which are removed, uprooted, destroyed, die or become severely damaged or become seriously diseased within 5 years of planting shall be replaced within the next planting season by trees or shrubs of similar size and species to those originally required to be planted.

Reason: To ensure that the site is satisfactorily landscaped having regard to its location and the nature of the proposed development and to comply with Saved Policy H5 of the Knowsley Replacement Unitary Development Plan, adopted June 2006, Policy CS19 of the Knowsley Local Plan Core Strategy, adopted January 2016, and the National Planning Policy Framework.

5. The proposed dwelling shall not be occupied until it has been provided with an outdoor, weatherproof electric vehicle charging point readily accessible from a dedicated parking space.

All charge points shall be:

- a) A minimum of 7KW,
- b) at Least Mode 3 or equivalent,
- c) untethered, and
- d) located in order to comply with the Equality Act 2010 and the accessibility requirements set out in the Building Regulations Part M.

Unless otherwise agreed in writing by the Local Planning Authority.

All EV charging points shall be clearly marked as such and their purpose explained to new occupants within their new home welcome park/travel planning advice.

Reason: In the interests of air quality, promoting sustainable travel opportunities and to comply with Policies CS2, CS7 and CS19 of the Knowsley Local Plan Core Strategy, adopted January 2016 and NPPF Para 110.

6. Prior to installation, details of all means of enclosure (including walls, fences and gates) must have been submitted to and approved in writing by the Local Planning Authority. The scheme should ensure that the gates are secured by locks. The means of enclosure indicated on the approved scheme shall be constructed in accordance with that scheme before the new dwelling is first occupied.

Reason: To ensure satisfactory privacy for occupants of the proposed dwellings, in the interests of visual amenity and to comply with Policies CS2, CS19 of the Knowsley Local Plan Core Strategy, adopted January 2016 and Saved Policy H5 of the Knowsley Replacement Unitary Development Plan, adopted June 2006.

7. The new dwelling hereby permitted shall not be occupied until a scheme for the provision of cycle parking, in accordance with the Council's current standards, has been submitted to and approved in writing by the Council as Local Planning Authority. The scheme shall be implemented as approved before the first occupation of the new dwelling and shall be retained as such thereafter. For the avoidance of doubt, long stay cycle parking must be covered and offer a means to secure the cycles.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
