For: Knowsley Local Authority

Job Ref: 21.024

Works Schedule for Tree Maintenance Works at; 6 Derby
Street, Prescot, L34 3LG.

June 2021

tc-treeandsite.co.uk

Schedule of Works As Specified;

*Directions assuming the viewer is facing the entrance to the car park area from the main roadway.

Item No:	Location:	Description Of Works:	
1.0	Car Park Area		
1.1		Two large well established conifers located at either side of the entrance to the car park. Conifers noted to be overgrown with several lower branches causing disruption and nuisance to vehicles accessing the car park area. Works allows to undertake a minor package of maintenance works which will see both trees have a crown raise by a height of circa 4m from ground level to allow vehicle access.	
1.2		Three small sized Elm trees located adjacent to the entrance area on the right hand site upon immediate entry to the car park. Trees noted to be overgrown with several branches causing access restrictions to the car park. Also noted to be in close proximity to adjacent properties. Works allows to undertake a 10% crown reduction to each tree, works will also see that each tree is maintained in a neat and tidy condition to prevent overhanging branches causing further disruption.	
1.3		Small Elder tree located to the boundary of the car park upon entry. Tree noted to be poorly based and is also leaning over the neighboring property. Allow to remove the Elder tree to ground level.	
1.4		Low level shrubbery and weeds to the site perimeter noted to be overgrown and in a poor condition. Works allows to undertake general maintenance to shape shrubs and cut back weeds and overgrowth surrounding the car park perimeter. Hard standing	

		areas will be treated with a suitable weed kill to prevent regrowth of weeds in the near future.	
1.5		One large well established conifer tree located to the left hand side of the car park upon entry. Allow to undertake minor maintenance works to remove low level branches in the form of a crown raise to 4m. This will remove overhanging branches and allow vehicle access to the parking bay.	
1.6		Two small Rowan trees located to the front boundary, noted to be on the left of the entrance. Both trees are noted to be deceased and are recommended to be removed to ground level.	

T C Tree And Site Services Ltd
June 2021

Thank you for reviewing the information we have provided in this schedule of works. Should you have any queries or wish to discuss any of the works proposals please feel free to contact us.
