<u>WARD:</u>	Swanside	<u>PARISH:</u>	
<u>LOCATION:</u>	38 Jeffereys Drive, Roby, Knowsley		
<u>PROPOSAL:</u>	CERTIFICATE OF LAWFULNESS FOR PROPOSED SINGLE STOREY REAR EXTENSION		

Site Description

The application site is a traditionally built semi-detached house and associated front and rear garden curtilage on Jeffereys Drive. The house has a single storey flat roofed kitchen extension on the rear. The area is residential in character and defined as a Primarily Residential Area on the Local Plan Policies Map.

Proposal

The application seeks a Certificate of Lawful Development for the erection of a single storey rear extension.

The extension would have a maximum projection of 3m and a minimum projection of 2.3m from the rear of the original house. The 3m deep part of the extension would utilise the side elevation wall of the existing kitchen extension. The extension would be brick built. The extension would have a tiled, sloping roof of a maximum height of 3.6m, with a height to eaves of 2.5m, and would have 3 rooflights.

Assessment

The application seeks confirmation that the development is 'permitted development' under the Town & Country Planning (General Permitted Development) (England) Order 2015.

Class A states that an enlargement, improvement or alteration of a house of a house is permitted development provided that the development does not:

- b) exceed 50% of the total area of the curtilage;
- c) exceed the height of the of the highest part of the roof of the existing dwellinghouse;

- d) exceed the height of the eaves of the dwellinghouse;
- e) extend beyond a wall which – forms the principal elevation of the original dwellinghouse; or fronts a highway and forms a side elevation of the original dwellinghouse;
- f) Subject to paragraph (g), have a single storey and – extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or exceed 4 metres in height;
- g) For a dwellinghouse not on article 2(3) land nor on a site of special scientific interest, would have a single storey and – extend beyond the rear wall of the original dwellinghouse by more than 8 metres in the case of a detached dwellinghouse, or 6 metres in the case of any other dwellinghouse, or exceed 4 metres in height;
- h) would have more than a single storey and – extend beyond the rear wall of the original dwellinghouse by more than 3 metres, or be within 7 metres of any boundary of the curtilage of the dwellinghouse being enlarged which is opposite the rear wall of that dwellinghouse;
- i) would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres;
- j) would extend beyond a wall forming a side elevation of the original dwellinghouse, and would – exceed 4 metres in height, have more than a single storey, or have a width greater than half the width of the original dwellinghouse;
- k) include a veranda, balcony, raised platform of a flue;
- l) lie in a conservation area

Development is permitted by Class A subject to the following conditions:

- a) The materials used in any exterior work (other than materials used in the construction of a conservatory) must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.

The proposed rear extension would not project more than 3m from the rear elevation of the original dwellinghouse, would not exceed 4m in height and the height of the eaves of the extension would not exceed 3m.

Overall, the proposed development would comply with the criteria of the relevant legislation outlined above.

The proposed rear extension would therefore comply with the requirements of Class A of Part 1, Schedule 2 of the Town and Country Planning Act (General Permitted Development) (England) Order 2015 (as amended).

Conclusion

It is concluded that the proposed development complies with Class A of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). Accordingly, it is recommended that the Certificate of Lawful Development for the proposed development be granted.

Recommendation

That a Certificate of Lawfulness be granted.

1) The proposal complies with the requirements of Class A, Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).
