

Our Nursery Community – Keeping Noise Low for Our Neighbours

A polite request to all parents and carers

As part of our commitment to being a good neighbour, we kindly ask for your support in managing noise during nursery drop-off and pick-up times. Small adjustments from all of us help maintain a calm and respectful environment for neighbours and children alike.

Drop-Off & Pick-Up at the Nursery Gate

To help us manage noise effectively:

- **Please wait quietly at the gate** until staff come to collect your child after ringing the bell.
 - **Keep conversations low**; this includes phone calls and chats with other parents.
 - **Avoid loud music** in your car while waiting, and switch off engines if possible.
 - **Close car doors gently** to reduce sudden noise for our neighbours.
 - **Do not arrive before opening time**, as early waiting can create unnecessary noise.
-

Supporting Calm Transitions

- If your child becomes upset, **staff will bring them indoors promptly** to be comforted and settled.
 - Please encourage your child to stay calm while waiting at the gate.
 - Avoid standing in large groups near the gate; this helps maintain a safe and calm space.
-

Parking & Consideration for Residents

- **Park considerately**, avoiding driveways, narrow streets, and neighbouring properties.
 - **Please do not park on Cherry Gardens Road.**
 - **Move promptly** after dropping off or collecting your child to reduce gathering and noise.
-

Thank You for Supporting Our Community

By following these simple measures, you help us:

- Maintain positive relationships with our neighbours
 - Keep a calm, safe, and welcoming environment for all children
 - Meet our responsibilities as part of our planning and community commitments.
- Your cooperation makes a real difference — thank you for helping us keep our nursery and neighbourhood peaceful!
