

SUPPLEMENTARY PLANNING INFORMATION

Project

Rowlands Pharmacy
Unit 6, St Chads
Self Dispensing Machine

Date

03 | 10 | 21

SITE: Rowlands Pharmacy
Unit 6, St Chads Parade, Kirkby, L32 8UG

DESCRIPTION: Installation of self dispensing pharmaceutical unit to better serve the users of the property alongside the installation of new signage.

1. Evaluation

The addition of the pharmaself machine is to the existing shopfront. The works will not be affecting any locally listed buildings, period features or distinctive attributes. In terms of access, this addition has no effect in blocking, hindering or aiding access to or from the building.

2. Proposal

The proposal is to add a self dispensing pharmaceutical unit of approximately 1023mm x 1835mm in size to aid the existing retail unit. A product data sheet is attached to this document.

Every effort has been made to ensure that the positioning and location has been chosen to least effect any existing views or sight-lines of existing properties. It has also been noted that the proposed location avoids any disruption to the existing walkway and easily accessible by all and is therefore been chosen to be located in an existing shopfront.

PHARMASELF 24
