POLICY CONSIDERATIONS

The application complies with Policies CS2 and CS19 of the Core Strategy and saved Policies H5 and H8 of the UDP; the application also complies with the Householder Development SPD.

DESIGN, ACCESS AND CRIME PREVENTION

The design of the proposal is acceptable. The front extension would project around 1.8 metres and would have a pitched roof like the existing dwelling. There are other similar front extensions nearby including one next door at 17. Therefore, the extension complies with the Householder Development SPD.

Overall, the design of the scheme is acceptable. The application raises no crime or anti-social behaviour issues.

RESIDENTIAL AMENITY

The proposal would not harm the amenity of neighbouring properties.

In relation to 13, the front window of 13 near the boundary would not be significantly impacted as the extension would only project 1.8 metres forward.

In relation to 17, the front window of 13 near the boundary would not be significantly impacted as the extension would only project 1.8 metres forward and there is a gap between the properties.

The extension complies with the Householder Development SPD. Overall, the proposal will not cause harm to the amenity of neighbouring properties.

CONCLUSION

The proposal is acceptable in design and would not harm the amenity of neighbouring properties, The application complies with local planning policies and is recommended for approval.

RECOMMENDATION:

That Planning Permission be granted subject to the following condition(s):-

- 1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: In order to comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2) The development hereby permitted shall be carried out in accordance with the approved plans and documents listed in Schedule 1.

Reason: For the avoidance of doubt.

- 3) The materials to be used on the external surfaces of the extension hereby permitted shall match those of the existing building in type, size, colour and texture.
