Details of the pre-application advice received

I thought to apply for pre planning application advice but Nathan called and advised the pre planning application route is unlikely to be of benefit in this instance and the advice is that a Certificate of Lawful Use is submitted.

He gave us a Checklist - childrens home pro forma to complete to support the application

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
