Details of the pre-application advice received

The changed proposed could be considered under a non-material amendment application. This application would not require publicity so could be considered without the need for a publicity period to expire. The fee is currently £43 for a domestic extension non-material amendment application although your agent should check prior to submission to confirm. The proposed elevations and floor plans should be submitted with the location plan, and it assists if the current approved elevations are also submitted with the application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
