

Unit 16 – The Croft

Supporting Statement:

These statements are to support the application to create a mixed use space in Unit 16 The Croft.

USE

The proposed use is for a skills centre for children.

The sessions will be run daily, 5 days a week.

The groups in each session will be maximum No 18. children.

The children will be 12-18 years old and unaccompanied.

TRAVEL

It is likely that most children will walk to the centre, as it is for local residents.

There is a bus stop in front of The Croft.

The office will be accessed by ForHousing staff only on a booking system.

There is a dedicated car park for staff to the rear of the building.

FACILITIES

There will be an inter-connecting door between the office and skills centre.

The children will be able to access the toilets through the office.

The staff will be able to access the kitchen to provide refreshments for the skills centre.
