

Appendix B - Tree Schedule

ID number	Common name	Latin name	Age	Height metres	DBH mm	Condition	Rating	Life expect	Approx work completion	Observations	Recommendations	Location
T1	Beech	Fagus sylvatica	Mature	17	520	Good	B	20+	N/A	A single stemmed specimen with high canopy and decurrent habit. Occluded pruning cuts on the main stem and no major visible defects.	Monitor on a regular basis due to the proximity to Archway Road.	Adjacent property to the east
G2	Common Holly, Ivy and various shrubs	Ilex aquifolium and Hedera helix	Semi mature	10	300	Fair	C	10+	N/A	A group of single stemmed specimens with pyramidal habits along the boundary wall to the south east. Ivy covering the ground and the lower main stems of the Holly.	None required at present.	Rear garden of the subject property
T3	Horse Chestnut	Aesculus hippocastanum	Mature	12	480	Good	B	20+	N/A	A single stemmed specimen with a decurrent habit and no major visible defects. Ivy covering the lower half of the main stem.	Monitor on a regular basis due to the proximity to Archway Road.	Rear garden of the subject property
T4	English Elm	Ulmus procera	Mature	11	370	Dead	U	0	1 month	Dead	Remove tree	Rear garden of the subject property
T5	Sycamore	Acer pseudoplatanus	Mature	19	540	Poor	U	5	6 months	A twin stemmed specimen with an included section and high canopy. Located in a sheltered area between the subject and adjacent property.	Remove tree	Adjacent property
G6	Common Ash and Leyland Cypress	Quercus robur, Acer pseudoplatanus and Fraxinus excelsior	Semi mature	6	200 - 300	Fair	B	20+	N/A	A single stemmed specimen with a linear row of single to multi stemmed specimens forming a hedge.	None required at present.	Car park
G7	Southern Blue Eucalyptus	Eucalyptus globulus	Semi mature	10	250 - 300	Good	B	20+	N/A	A single and a multi stemmed specimen with decurrent habits and no major visible defects.	None required at present.	Car park
T8	Magnolia	Magnolia Sp.	Mature	8	290	Good	A	40+	N/A	A single stemmed specimen with a decurrent habit and no major visible defects. Located at the entrance to the car park providing high amenity.	None required at present.	Car park
Key; Green text is High Quality and Value, Blue is Medium, Grey is Low and Red is Remove, see Appendix D - for Tree Categorisation Chart DBH Diameter at Breast Height. Life expect of 40 suggests 40 years plus
