Changes to original planning application requires new application to be submitted

Address: 3, Stokes Close, Halewood

In regards to these amendments, I spoke to my manager this morning. They informed me that this would require a new planning application for this. As you didn't withdraw the application (or at least to my knowledge) with the fee paid for that submission, you should get one free go at submitting again. This would need to be done before July however, as the government are looking to make changes. As I understand, you should have one opportunity to resubmit a new application (unless you withdrew any applications under the last fee paid.), L26 6BF

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

- ☐ Yes
- ☒ No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of “agricultural tenant” in section 65(8) of the Act.
