4. Description of Proposed Works

Please describe the proposed works:

The application is to cover the construction of a single storey, pitched roof garage to connect the dwelling house to the existing detached double garage. The new roof is to match the existing garage roof in construction and materials, creating a continuous roof line. The front elevation of the new garage is to be a full length garage door. The rear elevation is to be of brickwork and glazing to connect the existing utility room to the existing garage. At the rear of the new roof, a second pitch roof is to be constructed to replace an existing light weight conservatory style roof. On completion of the 'connecting' garage, the existing garage is to be converted into a study / garden room.

Has the work already been started without consent?
