Details of pre-application advice received:	

5. Eligibility

Do you, or the person on whose behalf you are making this application, have an interest in the part of the land to which this amendment relates?

☒ Yes ☐ No

If you have answered No to this question, you cannot apply to make a non-material amendment.

If you are not the sole owner, has notification under article 10 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 been given?

☐ Yes ☐ No ☐ Not Applicable

If you have answered No to this question, you cannot apply to make a non-material amendment.

If you have answered Yes to this question, please give details of persons notified:

Person Notified	Address	Date of Notification

6. Authority Employee / Member

It is an important principle of decision-making that the process is open and transparent. For the purposes of this question "relating to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the local planning authority.

Do any of the following statements apply to you and/or agent? ☐ Yes ☒ No

With respect to the Authority, I am:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

If yes please provide details of their name, role and how you are related to them.

--

Please provide the description of the approved development as shown on the decision letter, including application reference number and date of decision in the sections below:

Erection of part two storey/part three storey residential building to form 5No apartments, together with hard landscaping

Reference number: 18/00805/FUL

Date of decision (DD/MM/YYYY): 10/10/2019

What was the original application type?:

(e.g. 'Full', 'Householder and Listed Building', 'Outline').

FULL

For the purpose of calculating fees, which of the following best describes the original application type?

Householder development: development to an existing dwelling-house or development within its curtilage ☐

Other: anything not covered by the above category ☐

8. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make:

To change the wording of Condition 5 to state: Foundations shall not be piled or concrete poured in foundation trenches until a scheme of intrusive site investigations to determine the presence or otherwise of shallow workings has been submitted to and approved in writing with the local planning authority. The scheme shall include -

- A report of findings arising from the intrusive site investigations
- The submission of a scheme of remedial works for approval which should be completed in accordance with the approved details.

And to change the wording of Condition 6 to state: No foundations shall be completed until a contaminated land assessment and associated remedial strategy, together with a timetable of works, has been submitted to and agreed in writing by the Local Planning Authority:

- The results of the site investigation shall be made available to the Local Planning Authority before any development begins.
- If any contamination is found during the site investigation, a report specifying the measures to be taken to remediate the site to render it suitable for the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority.
- The site shall be remediated in accordance with the approved measures.
- If during the course of development, any contamination is found which has not been identified in the site investigation, additional measures for the remediation of this source of contamination shall be submitted to and approved in writing by the Local Planning Authority.
- The remediation of the site shall incorporate the approved additional measures and a timetable for their implementation.
- No soil is to be imported to the site until it has been tested for contamination and assessed for its suitability for the proposed development; a suitable methodology for testing this material should be submitted to and agreed by the Local Planning Authority prior to the soils being imported onto site. The methodology should include the sampling frequency, testing schedules, criteria against which the analytical results will be assessed (as determined by the risk assessment) and source material information. The analysis shall then be carried out and evidence submitted to and approved in writing to by the Local Planning Authority.
