United Kingdom

Name and address of agent

Date of Receipt: 28 April 2021

Date Valid: 15 June 2021

Address/Location Of Development:

**37 Cross Lane
Prescot
L35 3QG**

Description of Development:

ERECTION OF 1NO SEMI-DETACHED DWELLING

The Council of the Metropolitan Borough of Knowsley hereby give notice in pursuance of the above Act(s) that Planning Permission has been **granted** for the carrying out of the development referred to above in accordance with the application and plans submitted subject to the following condition(s):

1. The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: In order to comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended).

2. The development hereby permitted shall be carried out in accordance with the approved plans and documents listed in Schedule 1.

Reason: For the avoidance of doubt.

3. No dwelling shall be occupied until an outdoor, weatherproof electric vehicle charging points readily accessible from a dedicated parking space has been provided for the dwelling.

All chargepoints shall be:

- a) A minimum of 7KW, and
- b) at Least Mode 3 or equivalent, and
- c) untethered, and
- d) located in order to comply with the Equality Act 2010 and the accessibility requirements set out in the Building Regulations Part M.

All EV charging points shall be clearly marked as such and their purpose explained to new occupants in any home welcome pack.

Reason: In the interests of air quality, promoting sustainable travel opportunities and to comply with Policies CS2, CS7 and CS19 of the Knowsley Local Plan Core Strategy, adopted January 2016 and NPPF Para 110.

4. No dwelling hereby approved shall be occupied until a full fibre broadband connection has been installed and made available for use.

Reason: To support economic growth in accordance with NPPF Para 112.

5. No part of the development shall be brought into use until visibility splays of 2m metres by 2m metres, have been provided at the proposed (site access). The splays shall be provided clear of obstructions to visibility above the height of 0.6 metres measured from the footway/verge level. Once created, the visibility splays shall be maintained clear of any obstruction and shall be retained at all times

Reason: To provide appropriate visibility in the interests of highways safety.

6. Based on the information available we are not aware of any contamination on this site. However, the responsibility to properly address contaminated land issues lies with the owner/developer of the site, irrespective of any involvement by this Authority. The applicant/developer is requested to contact the Council's Environmental Protection Unit (Tel: 0151 443 4712) as soon as is practicable should contamination be encountered during the development of the site.

If contaminated material is encountered the applicant/developer is required to dispose of the contaminated arisings appropriately. They should also be aware of their health and safety responsibilities to workers in respect of handling such materials. The developer should also ensure that no pathways are created by which any contamination may either migrate off-site or affect site users.

Reason: To prevent contamination in the interests of human health in accordance with Core Strategy policy CS19 and Policy ENV5 of the Unitary Development Plan.

7. In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported immediately to the Local Planning Authority. Development on the part of the site affected must be halted and a risk assessment carried out and submitted to and approved in writing by the Local Planning Authority. Where unacceptable risks are found remediation and verification schemes shall be submitted to and approved in writing by the Local Planning Authority. These shall be implemented prior to the development (or relevant phase of development) being brought into use.

Reason: To prevent contamination and to protect human health in accordance with Core Strategy Policy CS19.

8. No soil is to be imported to the site until it has been tested for contamination and assessed for its suitability for the proposed development; a suitable methodology for testing this material should be submitted to and agreed by the Local Planning Authority prior to the soils being imported onto site. The methodology should include the sampling frequency, testing schedules, criteria against which the analytical results will be assessed (as determined by the risk assessment) and source material information. The analysis shall then be carried out and evidence submitted to and approved in writing to by the Local Planning Authority.

Reason: To prevent contamination and to protect human health in accordance with Core Strategy Policy CS19.

9. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order with or without modification), no extensions, additions to the roof, porches, or outbuildings (Schedule 2 Part 1 - Class A, B, D and E), shall be erected other than those expressly authorised by this permission.

Reason: To protect the amenity of neighbouring residents and to prevent over development of the site.

10. Foul and surface water shall be drained on separate systems.

Reason: To secure proper drainage and to manage the risk of flooding and pollution.

11. No construction work, including demolition and deliveries to and from the site shall take place on the site except between the hours:

08.00 - 18.00 Monday to Friday;
08:00 - 13:00 hours Saturday.

No work shall take place on Sundays or on Public Holidays.

Reason: To safeguard the amenities of nearby residents and to comply with Saved Policies S2 and H5 of the Knowsley Replacement Unitary Development Plan, adopted June 2006.

SCHEDULE 1

Date Received	Ref. No	Version	Drawing/Document Title
01/09/2021	-	-	PROPOSED SITE PLAN – RECEIVED 19:09.
10/07/2021	-	MOD 2	EXISTING AND PROPOSED REAR ELEVATION
22/09/2021	17		PROPOSED FRONT ELEVATION
15/06/2021	-	-	LOCATION PLAN

22/09/2021	4	-	PROPOSED FIRST FLOOR PLAN
22/09/2021	3	-	PROPOSED GROUND FLOOR
28/04/2021	11	-	PROPOSED SIDE ELEVATION

REASON(S) FOR THE GRANTING OF PLANNING PERMISSION

The decision to grant planning permission has also been taken having regard to the policies and proposals as set out below, and to all relevant material considerations including supplementary planning guidance:-

KNOWSLEY LOCAL PLAN: CORE STRATEGY

CS2 - Development Principles
CS3 - Housing Supply, Delivery and Distribution
CS7 - Transport Networks
CS17 - Housing Sizes and Design Standards
CS19 - Design Quality and Accessibility in New Development
CS21 - Greenspaces and Trees
CS22 - Sustainable and Low Carbon Development
CS24 - Managing Flood Risk

SAVED POLICIES - KNOWSLEY REPLACEMENT UNITARY DEVELOPMENT PLAN (ADOPTED JUNE 2006)

H5 - Development within Primarily Residential Areas
DQ4 - Trees and Development
ENV5 - Contaminated Land

This informative is only intended as a summary of the reason(s) for the granting of planning permission. Should you require any further details relating to the decision please contact the relevant case officer (Andrew Hunt on 0151 443 2204)

ARTICLE 35 STATEMENT

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating with the applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

NOTE FOR APPLICANT:

IMPORTANT - PLEASE READ CAREFULLY THE NOTES BELOW AS FAILURE TO COMPLY COULD MAKE THE DEVELOPMENT HEREBY PERMITTED UNAUTHORISED

- 1) This planning permission is granted in strict accordance with the approved plans. It should be noted however that:
 - a) Any variation from the approved plans following commencement of the development, irrespective of the degree of variation, will constitute unauthorised development and may be liable to enforcement action.
 - b) You or your agent or any other person responsible for implementing this permission should inform Planning Services immediately of any proposed variation from the approved plans and ask to be advised as to the best method to resolve the matter. Most proposals for variation to the approved plans will require the submission of a new planning application.

- 2) This permission is granted subject to conditions and it is the owner of the property and the person responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond.
- 3) If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent.
 - a) If a condition precedent is not complied with prior to the start of development, the whole of the development will be unauthorised and you may be liable to enforcement action.
 - b) In addition, if the requirements of a condition precedent are subsequently not complied with, the development is unauthorised and the only way to rectify the development is the submission of a new application.

If any other type of condition is breached then you will be liable to a breach of condition notice.

- 2 A water main crosses the site. United Utilities need access for operating and maintaining it.

Where United Utilities' assets exist, the level of cover to the water mains and public sewers must not be compromised either during or after construction.

For advice regarding protection of United Utilities assets, the applicant should contact the teams as follows:

Water assets - DeveloperServicesWater@uuplc.co.uk

Wastewater assets - WastewaterDeveloperServices@uuplc.co.uk

It is the applicant's responsibility to investigate the possibility of any United Utilities' assets potentially impacted by their proposals and to demonstrate the exact relationship between any United Utilities' assets and the proposed development.

- 3 A vehicle dropped crossing will be required for any proposed or widened vehicular access required for access to on-site parking. Permission will need to be sought from Highways in order to provide a vehicle dropped crossing.
- 4 Access for fire appliances should comply with the requirements of Approved Document B5 of the Building Regulations.

Water supplies for fire fighting purposes should be risk assessed in accordance with the undermentioned guidance in liaison with the water undertakers (United Utilities - 0161 907 7351) with suitable and sufficient fire hydrants supplied.

Housing developments with units of detached or semidetached houses of not more than two floors should have a water supply capable of delivering a minimum of eight litres per second through any single hydrant. Multi occupied housing developments with units of more than two floors should have a water supply capable of delivering a minimum of 20 to 35 litres per second through any single hydrant on the development.

The premises should comply with Section 55 of the County of Merseyside Act 1980

Executive Director - Regeneration and Economic Development

Date: 24 September 2021

IMPORTANT NOTES FOR YOUR ATTENTION:

- 1. This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, bylaw, order or regulation.**
- 2. This permission refers only to those plans submitted as part of the Planning Application a copy of which is retained by the Local Planning Authority. The Local Planning Authority should be contacted in writing if it is proposed to amend these plans in any way as a further permission, may be required.**
- 3. You should ensure that you understand the requirements of all planning conditions and that you fully comply with their requirements. If you are in any doubt about what a condition requires of you, please ask us for assistance. Planning conditions may require you to submit further information to us and await our approval before you can start your development. A failure to do so could result in your development being unlawful and necessitate the submission of a further planning application. A failure to comply with the conditions of the permission/consent may result in the taking of enforcement and potentially legal action, against you to remedy the breach of planning control.**
- 4. A fee is normally payable to discharge planning conditions in accordance with government regulations.**
- 5. This permission does not convey any rights or approval to build on, or develop, any land that is not fully owned or controlled by you, including on party boundaries. You should satisfy yourself that the agreement of any adjoining landowners has been given prior to commencing any building works.**
- 6. If a Building Regulations Consent is required for these works it is your responsibility to ensure that the plans submitted for both the Building Regulations Consent and Planning Permission are the same in all respects. Should the plans relating to one consent vary from the other, it will be necessary for you to submit amended plans to this Department and obtain the relevant approval(s) prior to commencing any works. Knowsley Council's Building Control team are contactable on (0151)-443 2342 and they would be pleased to assist you.**

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
