Description

Please describe details of the proposed development or works including any change of use

Change the use of dwelling to form a Disability Day Centre.

Yars is a disability day centre, working with 18-35 year old disabled young adults from the borough of Knowsley. Established in 2017 Yars provides essential day care for disabled young adults who have left education and are now socially isolated and/or excluded with no other suitable services to attend.

Since 2021 we have been operating from Old School house, St Johns Road (2 minute walk from the proposed development) and now require a much more suitable space for those in need to attend.

We will not be doing any structural work on the property or gardens, our vision is to create a safe space for disabled young adults to attend, engage and have fun. A person centred, needs led day centre, that offers essential support, stimulation and engagement.

The day centre will operate Monday to Friday 9am until 5pm offering a wide range of inclusive activities and qualifications to improve personal and social development and support disabled young adults with vital life skills. We are an activity based day centre so we will not always be in the property, we love to get out in the community and have regular day trips.

We anticipate 8 staff and 25 - 35 disabled young adults accessing the day centre.

The activities delivered on site will consist of:

Independent living programmes - such as cookery, Maths and English qualifications, personal hygiene, sexual health, money skills.

We will also have a sensory room for disabled adults to relax and chill out in.

We would also like to install a few computers to help support ICT skills and online safety.

We would also like to create a yoga/fitness room to help improve our disabled young adults physical and mental health.

The majority of our disabled young adults share transportation, this is provided by social services and is up to 5 people per taxi. This will reduce the amount of vehicles dropping off/picking up at the premises.

Father Anton of St Agnes church is very supportive of our service and has provided a written statement of support, allowing us to use the social club car park (directly opposite) as a pick up/drop off point if required. Karl Hart of Old School house has also stated he would support us with parking or as a pick up drop off location, as this is a 2 minute walk from the property.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
