Hi

Apologies for the delay in response, please find additional information.

Tree T8 - Please amend the application for to state how much the tree is to be reduced by measurement or %. Please also clearly specify the proposed works to this tree.

Proposal - Crown reduction of up to 2 metres. The tree currently overhangs the neighbouring property’s driveway and is reaching into their guttering. The canopy also extends over the main pedestrian pathway on Stanley Road, reducing safe clearance. The proposed works are intended to restore appropriate clearance and prevent potential damage.

Regards
