- Use of Green Belt Land for Drainage/ Play Equipment – Use of green belt will not be supported for any development in this area. The proposal of a pumping station on land to the south of the site and utilising the wider area for play. This area is part of the greenbelt and therefore national/ local green belt policies apply. In these terms the associated structures would be considered inappropriate development.
- Noise – There is a significant issue of noise from the motorway in relation to some proposed private, rear gardens where the level is above 60dB(A). The Council's upper limit of acceptability is set at 60 and therefore the proposal needs additional mitigation in order to be acceptable.
