Is the proposed operation or use

☒ Permanent ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I consider a lawful development certificate should be granted for this proposal as it comes under the current parameters for a garage conversion. The dwellinghouse is not being made any bigger than its current footprint.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
