

Secure lockable Cycle Shelter

Description:

A steel cycle cage with locking gates and PET cover

- Holds up to 10 cycles
- Bolts securely to concrete floors
- Deter offenders and keep bikes safe from the elements with an on-site cycle shelter for workers and visitors. These cage shelters are constructed from heavy steel and from durable PET plastic, providing a weatherproof and safe place for bike storage. Bike stands are included inside the cage, to which cycles can be secured for extra safety.

Capacity 10 bikes

Colour(s) Silver

Material Galvanised Steel

Size (H x W x D) 2150 x 4080 x 2530 mm

Supplied in Single
