POLICY CONSIDERATIONS

The application complies with Policies CS2 and CS19 of the Core Strategy and saved Policies H5 and H8 of the UDP, the application also complies with the Householder Development SPD.

DESIGN, ACCESS AND CRIME PREVENTION

The design of the proposal is acceptable. The extension would have a pitched roof like the existing main dwelling and would be proportionate to the main dwelling. Therefore, the extension complies with the Householder Development SPD. Overall, the design of the scheme is acceptable. The application raises no crime or anti-social behaviour issues.

RESIDENTIAL AMENITY

The proposal would not harm the amenity of neighbouring properties.

In relation to 12, there would be no harm as the extension would be on the opposite side of the dwelling and away from the boundary with 12.

In relation to 16, the extension would not cause harm to amenity as the nearest part of 16 is a garage. As a result, there are no main habitable room windows of 16 that would be affected by the extension. The extension would extend at the rear less than 3 metres and would comply with para 7.4 of the Householder Development SPD.

The extension complies with the Householder Development SPD. Overall, the proposal will not cause harm to the amenity of neighbouring properties.

CONCLUSION

The proposal is acceptable in design and would not harm the amenity of neighbouring properties. The application complies with local planning policies and is recommended for approval.

RECOMMENDATION:

That Planning Permission be granted subject to the following condition(s):-

- 1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: In order to comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2) The development hereby permitted shall be carried out in accordance with the approved plans and documents listed in Schedule 1.

Reason: For the avoidance of doubt.

- 3) The materials to be used on the external surfaces of the extension hereby permitted shall match those of the existing building in type, size, colour and texture.
