

Notes | Sketch schemes may be based on plan information of unknown origin and is subject to verification and survey. Contractors must verify all dimensions on site before commencing any work or shop drawings. This drawing is not to be scaled. Use figured dimensions only. Ensure digital versions are plotted at 'Actual Size'. Building areas are liable to adjustment over the course of the design process due to ongoing construction detailing developments. Subject to statutory approvals and survey. The bar above is to check that the drawing has been printed to scale.

- Proposed Buildings
- Possible Photovoltaic Locations
- Electric Vehicle Charging Points

Possible greywater system enabling the reuse of treated water for non-potable purposes, reducing the demand for freshwater resources and promoting eco-friendly practices.
