Hi Mark

I have received the comments of the Highways reconsultation. The Highways Engineer states the following:-

1. The information regarding staffing levels for the proposed hairdressers and takeaway / café are noted. However, staffing levels for the pub have not yet been highlighted.
2. A parking survey has not yet been undertaken to provide highways with confidence that spare capacity is present within the car park. It should be noted that a parking survey does not necessarily require a member

of staff to walk the car park and count all vehicles / free spaces. In this instance, it would be acceptable to highways for photographs to be taken to highlight existing parking levels and any spare capacity that may exist. If photos were to be provided, they should be taken hourly between 12pm – 6pm on a Saturday.

Please provide the above required information/survey as soon as possible to be taken into consideration.

Kind Regards

Lee
