Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☒ An existing use
- ☐ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

C3 - Dwellinghouses

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The property has been vacant for a number of years, we propose to complete a cometic uplift of the property and open 122 Sugar Lane as a Residential Children's home.

Previously the property was granted planning permission in 2010 for a change of use to C4. The use in practise was C3(b) Use - up to six people living together as a single household and receiving care e.g. supported housing schemes such as those for people with learning disabilities or mental health problems – in which case no change of use occurred, both uses seemingly within C3 Use.

As such, we believe an application for a Certificate of Lawful Development relating to previous C3 Use to proposed C2 Use, could be made - as the proposed C2 use would not be materially different from the previous C3 use.

The proposal remains on hold until we gain a Certificate of lawfulness.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☒ The use began more than 10 years before the date of this application
- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☐ The use as a single dwelling house began more than four years before the date of this application
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
- ☒ No
