

<u>APPLICATION NO:</u>	24/00268/FUL	<u>CASE OFFICER:</u>	Andrew Hunt
<u>WARD:</u>	Prescot South	<u>PARISH:</u>	Whiston Town Council
<u>LOCATION:</u>	7 Longview Road, Prescot, Knowsley, L35 8LN		
<u>PROPOSAL:</u>	ERECTION OF A SINGLE STOREY SIDE AND REAR EXTENSION		

Site Description

The application site is a semi-detached house set within a long rectangular plot fronting onto Longview Road. There are houses to the north, south and east of the site.

Proposal

The proposal is for the erection of a single storey rear and side extension.

N/A

Representations

This application has been publicised by letters sent to 24 neighbours. No objections have been received.

Planning History

An application for the demolition of garage and erection of two storey side and single storey rear extension was approved (20/00625/FUL – approved 4/12/2020).

Relevant Policy

Paragraph 11 of the National Planning Policy Framework (NPPF) states that planning decisions should apply a presumption in favour of sustainable development. This means approving development proposals that accord with an up-to-date development plan without delay; or where the development plan is absent, silent or out of date planning permission should be granted unless the application of policies in the NPPF that protect areas or assets of particular importance provides a clear reason for refusing the development proposed; or any adverse impacts of doing so would significantly and demonstrably outweigh the benefits, when assessed against the policies in the NPPF taken as a whole.

Paragraph 12 of the NPPF clarifies that the presumption in favour of sustainable

development does not change the statutory status of the development plan as the starting point for decision making. Where a planning application conflicts with an up-to-date development plan, permission should not normally be granted. Local planning authorities may take decisions that depart from an up-to-date development plan, but only if material considerations in a particular case indicate that the plan should not be followed.

The development plan in Knowsley comprises the Saved Policies of the Replacement Unitary Development Plan, the Core Strategy Local Plan and the Joint Waste Local Plan. The following policies are relevant to the determination of this application.

KNOWSLEY LOCAL PLAN: CORE STRATEGY

CS2 - Development Principles

CS19 - Design Quality and Accessibility in New Development

SAVED POLICIES - KNOWSLEY REPLACEMENT UNITARY DEVELOPMENT PLAN (ADOPTED JUNE 2006)

H8 - Extensions and Alterations to Residential Properties

Article 35 Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Assessment

Character of Area

The extension would be a relatively small addition to the streetscene as it would be a relatively small extension and single storey only. It would also have a pitched roof to match the main dwelling. The extension is much smaller than the previous two storey extension allowed. Therefore, there would be no harm to the character of the area.

Neighbour Amenity

In relation to 5, there would be no impact on the amenity of 5 as the extension would take place on the opposite side of the dwelling.

In relation to 9, there would be no harm to the amenity of 9 from the storey side extension as there are no main habitable room windows on the side of 9. In relation to the rear element there would be some impact on the nearest window of 9, however this room also has a window at the front of the house which would retain sufficient

light and outlook. Therefore, there would not be significant harm to the amenity of number 9.

Overall, it is considered that there would not be significant harm to amenity.

Conclusion

The proposal would be acceptable in relation to Street scene and Neighbour amenity. The application complies with local planning policies and is recommended for approval.

Recommendation

That planning permission be granted subject to the following conditions.

- 1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: In order to comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2) The development hereby permitted shall be carried out in accordance with the following approved plans and documents :-
 - a. Existing and Proposed Plans – 3 - (received 21/05/2024).
 - b. Existing and Proposed Plans – 2 - (received 21/05/2024).
 - c. Site Location Plan – 1 - (received 21/05/2024).

Reason: For the avoidance of doubt.

- 3) The materials to be used on the external surfaces of the extension hereby permitted shall match those of the existing building in type, size, colour and texture.

Reason: In the interests of visual amenity and to comply with Policy CS19 of the Knowsley Local Plan Core Strategy, adopted January 2016 and saved Policies H5 and H8 of the Knowsley Replacement Unitary Development Plan, adopted in June 2006.
