

Jubilee Park

Noise Management Plan

Introduction

The purpose of this plan is to outline robust policies and procedures to minimise the potential noise impact on local residents during all operational times of the All Weather Pitch at Jubilee Park and to satisfy the requirements of the Local Authority.

Planning Permission is sought through the local planning authority for an artificial turf football pitch.

This plan identifies the following critical components:

1. Potential noise sources
2. Local Nearest Noise Sensitive Location (NNSL)
3. Noise management policies
4. Communication and complaints procedures

It is the responsibility of the nominated Noise Monitoring Officer to ensure the detailed policies and procedures are adhered to. A monitoring officer will be nominated by Huyton Juniors Football Club (HJFC) with responsibility of monitoring the noise management in the same way other Health and Safety responsibilities are handled. The nominated officer is responsible for the management and delivery of the proposed facility, as well as monitoring the noise management in the same way other Health and Safety responsibilities are handled.

The noise management plan is considered to be a live document which may be revised during the operation of the All Weather Pitch, in order to create an acceptable balance between the requirement for a successful sports and recreation facility and the protection of local residents' amenity.

Potential Noise Sources

Potential noise sources identified relating to the sports pitch and its vicinity include:

1. Footballs being kicked, hitting the ground and perimeter fencing
2. Shouting / cheering during matches
3. Anti-social behaviour such as swearing
4. People arriving / leaving the facility via the car park

The nearest residential properties to the All Weather Pitch are situated close to the southern boundary of the site.

Details of Noise Management Policy

1. The site will be attended by operator staff whenever the pitch is in use and will regularly observe the pitch to ensure unacceptable behaviour does not take place.
2. The nominated Noise Monitoring Officer to regularly monitor activities on the All Weather Pitch, and will be responsible for dealing with all complaints.
3. All members of the All Weather Pitch Advisory Committee will be fully aware and conversant with the noise management plan.
4. Limit use of the All Weather Pitch between the following hours:

Peak Season: September – April Monday – Friday 9am – 9pm, Saturday – Sunday 9am – 6pm.
Off Peak Season: May – August – Monday – Friday 9am – 6pm, Saturday – Sunday 9am – 6pm

The facilities will be closed during Bank Holidays.

5. Only pre-booked lettings under a signed lettings agreement will be permitted to use the All Weather Pitch.
6. All clients as part of the lettings agreement will sign up to the Code of Conduct which includes expected conduct when arriving and leaving the site plus expectations whilst on site.
7. Liaise with pitch users to ensure noise management policies and the Code of Conduct are adhered to.
8. Provide a clear and reliable mechanism whereby noise complaints can be made and logged. All neighbours will be provided with a named person, telephone number and email to contact the operator if they are experiencing unacceptable noise from the pitch, the phone will be manned by on site staff whenever the pitch is in use.
9. Neighbours are given a facility to report excessive noise or anti-social behaviour directly to the club. This will allow any complaint to be investigated and addressed within a reasonable time period.
10. All contact with neighbours will be responded to within two working days with information on what the operator has done to address the noise issue.
11. The operator will maintain a log of all received complaints and actions. A record of this will be kept to help determine pitch usage if a complaint is received.
12. The operator will have a behaviour policy for all users. Where it is discovered that this policy is being broken by the user they will be warned and reminded of their obligations under the policy. If the policy is broken again within an agreed period the user will be suspended or banned from using the pitch.
13. Lighting (where applicable) will only be provided for the pitch and no surrounding grass areas to ensure other areas of the site cannot be used for training or sport.
14. Users of the pitch will not be permitted to use any other part of the site for pre or post session exercise.
15. Follow the complaints procedure set out below.
16. When requested, provide the Local Authority with details of logged complaints and any actions taken.
17. Liaise with the Local Authority to ensure the noise management plan remains effective and revise the noise management plan accordingly.
18. Carry out maintenance work to a regular schedule as agreed and avoid conflict with the time of community use.
19. Noise restricting neoprene isolators: carry out general maintenance of the All Weather Pitch facility using the Council's ground's maintenance team/ PFI contractor to confirm that the neoprene washers are still in place between the fence panel and the fence posts, and that they have not either become dislodged or disintegrated and replace as necessary.
20. Foul language and anti-social behaviour on the AGP is unacceptable and will not be permitted by the operator. This will be stated in signage on site and within the terms of rental which users are to sign prior to use. Reports of foul language will be incorporated into the code of conduct policy.
21. Complaints associated with the car park will be investigated in the same manner as a complaint elsewhere on the wider park. If this is then found to be connected to the facility then it will be raised as part of the management plan.
22. No music or PA systems to be played at any time. Any requirement for noise or voice then the club will apply for a licence to use a PA system from KMBC.

23. The car park will be closed outside of the pitch opening hours by a vehicle gate, this is the same as the current access arrangements of the park at this location.
24. The usage of the site will be restricted to youth level football with additional use by community partners during pre-arranged non-competitive activities (such as walking football). Competitive open age football activities will not take place at any time
25. Installation of noise barrier to the southern elevation of the proposed development.
26. Installation of 0.5m high rubber polymer kick board to perimeter of proposed AGP.

Code of Conduct

The Code of Conduct is for the benefit of all site users, staff, teams, football spectators and residents.

- Aggressive and violent behaviour towards pupils, staff, officials, residents or players will not be tolerated.
- Swearing or foul language and anti-social behaviour on or off the pitch is unacceptable. The centre reserves the right to dismiss users from the pitch and may lead to the cancellation of pitch hire agreements. Any decision taken by the Council in this respect will be final.
- All pitch users should behave in a responsible and considerate manner so that disturbance to local residents is kept to an absolute minimum.
- Smoking is not permitted on the site including the All Weather Pitch and surrounds or changing facilities. Any team found smoking will be suspended from using these facilities.
- Football boots of any kind i.e. studs, blades, must be removed at all times before entering any building.
- Abuse of the facilities will not be tolerated and will result that club being suspended from use of the All Weather Pitch.
- Any damage caused to facilities will be charged to the team and club responsible.
- Teams who do not pay fees by the required date will not be allowed to play matches.
- Players and supporters will be expected to dispose of their litter responsibly. Any litter found on and around the All Weather Pitch is the responsibility of the home teams to collect. A charge will be made should they fail to do so.

- Any regulated activity which involves working directly with children and young people under the age of 18 - such as managers and coaches and volunteers - must be aware of the safeguarding policy and procedure. Staff and volunteers must also undertake safeguarding training appropriate to their role and level of responsibility. The organisation is also responsible for ensuring that appropriate disclosure and barring service checks are carried out for staff and volunteers.
- Consideration must be given to residents when parking vehicles outside the designated car parking areas:
 - Do not obstruct driveways
 - Do not park on pavements
 - Refrain from parking vehicles in such a manner that would cause obstruction

Failure to observe these guidelines may result in enforcement action.
