

Statement of Purpose

GC Prestige Care

This Statement of Purpose is prepared in accordance with Regulation 16 and Schedule 1 of The Children's Homes (England) Regulations 2015.

1. Quality and Purpose of Care

- **Aims and Objectives of the Home:** To provide safe, nurturing, and supportive residential care for children aged 8 - 16, promoting their welfare, development, and independence in line with their care plans.
- **Ethos and Approach:** We provide child-centred care based on respect, safety, empowerment, and inclusivity. We use restorative approaches and trauma-informed practice to support children's emotional, behavioural, and social needs.
- **Range of Needs We Can Accommodate:** Children and young people with social, emotional, and behavioural difficulties.
- **Location and Description of the Home:** 6 Edgemoor Drive, Fazakerley, L10 1LP. The property is a three-bedroom semi-detached house, providing approximately 893 square feet of accommodation. It is situated on a corner plot, allowing for both front and rear access. The location offers extensive roadside parking due to the size and position of the plot. Externally the property benefits from a private outdoor area, suitable for safe recreational use.
- **Cultural, Linguistic, and Religious Needs:** Children's identity, culture, and religion will be respected and supported.
- **Therapeutic and Support Services**
- **Arrangements for Supporting Education**
- **Arrangements for Supporting Health Needs**
- **Arrangements for Supporting Positive Behaviour**

2. Views, Wishes and Feelings

Children's views are central to care planning and daily routines. Regular house meetings, keyworker sessions, and access to advocacy ensure children's voices are heard.

3. Education

We promote attendance, achievement, and aspirations. Staff liaise closely with schools and provide resources and study spaces.

4. Enjoyment and Achievement

We provide recreational, cultural, and leisure activities and celebrate children's achievements.

5. Health

We ensure health assessments, access to health services, and promotion of healthy lifestyles.

6. Positive Relationships

We encourage safe and nurturing relationships with peers, staff, and family. Staff are trained in attachment and trauma-informed practice.

7. Protection of Children

We have strong safeguarding policies, safer recruitment, and robust risk assessments. Staff are trained in child protection and whistleblowing.

8. Leadership and Management

9. Care Planning

Admissions are carefully planned to ensure matching and suitability. Plans for independence and transition to adulthood are prioritised.

10. Facilities and Accommodation

The home has bedrooms, communal areas, and outdoor space. Safety measures are in place including fire safety procedures.

11. Staffing

We employ qualified and trained staff. Mandatory training includes safeguarding, first aid, behaviour management, fire safety, and medication handling.

12. Behaviour Management and Discipline

We use positive behaviour support strategies, restorative practice, and rewards. Physical restraint is used only as a last resort.

13. Complaints and Representations

Children, families, and professionals can raise complaints through a clear process. Advocacy support is available.
