

A site plan diagram showing the layout of a Garden Centre and an adjacent Service Yard. The Garden Centre is a rectangular area at the top, filled with diagonal hatching. The Service Yard is a large circular area below it, also filled with diagonal hatching. A blue-shaded irregular area is located between the Garden Centre and the Service Yard. A pink dashed line with black dots runs horizontally across the top of the Service Yard, and an orange solid line runs horizontally below it. A thick magenta vertical line is on the left side. A black line with a yellow curve is at the bottom left. A green area with tree symbols is on the right. A cyan rectangle with an arrow is in the top right corner.
