Knowsley Commissioning Team have excellent relationships with Nest Residential. We have met on numerous occasions at Tray Ash Farm, and discussed how Nest can continue to work with us by expanding their current provision. We currently struggle to find in Borough placements for children with learning difficulties and social and emotional problems. A development on Tray Ash Farm would help us meet that need.

Hi Rebecca

It was good to speak with you earlier today. As discussed, I am writing to confirm the need for services in Knowsley to support looked after children, particularly those with learning disabilities as well as emotional and social needs.

We have applied to Knowsley Council to change the use of our property in order to register it as a children's home with Ofsted. Our aim is to provide a safe, supportive, and nurturing environment where children and young people can receive the care, they require to meet their individual needs.

We would be grateful if you could confirm your acknowledgement of this need, as it will support our application and ensure that we can move forward in establishing the home to serve children in the local area.

Thank you for your time and support.

Please do not hesitate to contact me if you require any further information.

Kind Regards,

Kayleigh Davison
