Morning Andrew

See attached site layout plans

Does this look ok ?

its not massive the front garden, driveway but we could fit two cars on it with this type of arrangement

I don't think that there would be any need for the cars to park on the adjacent road

Thanks

Regards

Dear James,

I am the case officer for your clients application at the above address.

Please can you confirm the number of proposed car parking spaces at the site and provide a car parking plan.

Would cars accessing the site also park at Newick Road to the west?

Kind Regards
