PROJECTING SIGN: We are proposing to use a feature 3D signage element to these shopfronts rather than the box signs used so far. This will add variety and interest when looking down Derby Road. In line with previous feedback these projecting signs will be non illuminated.

EL PUEBLO: Glazing colours, aluminium signage tray design, 3D stud lettering and shopfront lighting will all be relicated from the adjacent unit at 'El Pueblo' to provide continuity and coherence across a block of units we identify as being part of one language.
