INSTALLATION OF A COMBINED HEAT AND POWER UNIT IN AN EXTERNAL ACOUSTIC ENCLOSURE

The Council of the Metropolitan Borough of Knowsley hereby give notice in pursuance of the above Act(s) that Planning Permission has been granted for the carrying out of the development referred to above in accordance with the application and plans submitted subject to the following condition(s):

1. The development must be begun not later than the expiration of five years beginning with the date of this permission.

   Reason: In order to comply with the requirements of Section 91 of the Town and Country Planning Act 1990.

2. No part of the development hereby permitted shall be commenced until details of the proposed external facing materials to be used on walls and roofs have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out using only the agreed materials.

   Reason: In the interests of visual amenity.

3. All plant operating from the external acoustic enclosure hereby permitted shall be operated in accordance with the specification stated on Drawing No. 5393A received 4 October 2000 at all times that the plant is in use and the plant specifications shall not be changed at any time that the plant and acoustic enclosure remains on site without the written permission of the Local Planning Authority being obtained beforehand.

   Reason: In the interests of residential amenity.
