

The architectural floor plan shows a long, narrow building with a grid system from 1 to 13. The building is 7700 units long and 6480 units wide. The plan is oriented with North at the top. The building is divided into several sections, each with a specific function:

- Office Entrance:** Located at the bottom left, near grid line 1.
- Fire Exit:** Located at the bottom center, near grid line 7.
- Loading Bays:** Located at the bottom right, near grid lines 8, 9, 10, 11, and 12.

The building is divided into several rooms, each labeled with a code:

- c1:** Located at the bottom left, near grid line 1.
- c2:** Located at the bottom left, near grid line 1.
- c3:** Located at the bottom left, near grid line 1.
- d1:** Located at the bottom center, near grid line 7.
- d2:** Located at the bottom left, near grid line 1.
- d3:** Located at the bottom center, near grid line 7.
- w1:** Located at the bottom left, near grid line 1.
- a1:** Located at the top left, near grid line 1.
