

NOT TO SCALE AND FOR ILLUSTRATIVE PURPOSES ONLY

The two orange rectangles shown in this picture represent proposed locations for 2 x 6m flag poles.

These will be 6m in height constructed of White powder coated fibre glass with Gold Onion shaped Finial at the top

The Diameter of the pole at the base is 120mm reducing to 65mm at the top

Each flagpole will have an internal halyard to enable the hoisting and lowering of the Union Flag and Prescott Town Council Flag.

Each flagpole will be affixed to a concrete foundation measuring 500mm x 500mm x 1000mm located within the demised flagged area of the Town Council and not on the Public highway

Each flagpole will be located approximately 1000mm from the front elevation of Prescott Town Hall
