5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

we are not building or changing anything

we are applying to split the properties already here so that the residential house and the commerical cattery are seperate. -the site already has two addresses and two seperate council tax bills
brick wall inn, netherley road, tarbock green, L351QG
pets country manor netherley road, tarbock green, L351QE

the reason for this is several factors which are out of our control.

1. firstly we cant get insurance for our home and or for our business, -no one will give us insurance for our home because we run a business from the site and no one will give us insurance for our cattery because its also our home. (we actually emailed the council about this several years ago to find out why we cant get insurance and was it possibly in a high risk flood zone or was it something else about the area, we found out a couple of years ago that its because the business and our home are at the same address).

2. its difficult to have things delivered -we cant order things online for our business because suppliers wont deliver to our residential addresses (even though our business is here) and vice versa -companies wont deliver residential items to a business address without a business account -even though these items are for our family and nothing to do with the business. -ie Amazon is main culprit!

3. we have been trying for several years to get a mortgage on our home so that we can free up some money towards our renovation (the building is in a state of disrepair and is falling down in parts) we need to obtain a loan in order to start renovating this former dilapidated pub into a beautiful family dwelling. unfortunately its not possible for us to obtain a residential mortgage because we have a business running from the same address, and we also cant obtain a commercial mortgage because the money is for our residential home, so sadly and frustratingly we are in no mans land! after two and a half years of trying every single bank and 2 different mortgage brokers we have been advised each time that the only way to move forward is to split the properties so that the residential house and the commerical cattery business are seperate.

-for us nothing is changing its purely so that we can raise finance / obtain insurance / and hopefully live normally like normal people and be able to have things delivered. (in order to run a cattery and be granted a license someone has to be residing on site at all times so the person living in the house can be the only one on the license, we have enquired with knowsley licensing authority and although it may be two seperate addresses nothing is actually changing because we still live here so there are no prob).

We have already paid the £103 to street naming/numbering to change the name of the property from the brick wall inn pub to tarbock country manor so that the new two seperate addresses will be

tarbock country manor, L351QG
pets country manor L351QE
